

Hello Everyone,

We are excited to have you join us this weekend! Thank you for your patience regarding the tournament schedule. Please read this email thoroughly and see the attached tournament schedule. Forward to your teams.

Attached are the first game schedule and team list. Make sure you are in the correct division. We had to mix a few divisions based on lighter registrations. (Example 11u includes 10u)

CHECK IN: Please be timely to check-in and to all your games. Check in will be from 8:20-8:40 am with many first games starting at 9:00 am. We will have a tournament wide briefing at 8:45 going over rules, expectations and how the weekend will go.

BREAK: We will have an hour break from 12-1pm where you can eat, relax and compete in competitions for prizes. Again, we have multiple food trucks and concessions for your family to enjoy.

NOTE: The last games on Saturday will start at 3:30pm. Sunday games will begin at 2:30pm where we will conclude our single elimination tournament.

PLAYER SUBSTITUTION: If you have made a substitute to your team and were not on the digital registration make sure to have printed and signed the waiver on the website and bring it to check in.

INDOOR/OUTDOOR: Adults and high school divisions will be playing both indoor and outdoor. Our outdoor courts are brand new tennis courts and an outdoor court, thus one pair of shoes should be fine, bring extra shoes at your discretion. Youth divisions will be outdoors the whole weekend.

REFS/COURT MONITORS: We are planning to have high school and adult divisions call their own fouls and if there are questions or debate we will have a court monitor on each court. 14u and down will have an official.

INTEGRITY: We are a volunteer driven non-profit and we ask for your patience, grace and and that parents and athletes would represent strong integrity and character for all during the weekend. On that note & new to our tournament, we are giving out character awards for both our male and female young athletes that show great sportsmanship and integrity.

COVID: Per request if you are spectating in the gym, masks are recommended for those not vaccinated based on state mandates. Participants and being outdoors is whatever your family feels comfortable with.

Thank you for joining for our first year in Kirkland. Let's have a great weekend!
